Tangshan Longway Ceramics Co., Ltd

About Us

Located in Tangshan, the original place for bone china ware in China, Tangshan Longway Ceramics Co., Ltd has become one of the bone china industries most well respected, dependable manufacturers and suppliers.

Over the past years, we gain our worldwide clients and reputation main for the two reasons: Quality and Service.

Quality of our products is our top concern, all of our products are designed and manufactured with the utmost care and meticulous attention, manufactured to the highest standards.

It is always a headache if you can't find the perfect partner in China either because of the difficulty in the communication or the service awareness. It is not the case with us. We have a dedicated and highly motivated team for you. We are professional with an excellent focus on customers, product knowledge, organization and communication skills, and we ensure all orders are fulfilled quickly and efficiently.

The list items are some samples of many of the products that we have available; as well as being able to offer bespoke items of tableware and individually designed products. Our extensive range of housewares designs, from contemporary to traditional, will fit every lifestyle.

Sincerely welcome clients all over the world to visit our factory and establish business relationships. In the spirit of mutual benefit, we are sure that our products will help you expand market share and gain profit.
